Installation Guide

1. Prepare the surface by removing all loose materials (paint, dust etc.)
2. Draw a levelled start line on your wall horizontally
3. Start placing the brick facias using adequate adhesive – Cemtech recommends Tylon
4. Once all bricks are placed, if you wish to have joints added, bricks need to be sealed prior to ease cleaning of excess materials
5. Brooklyn Bricks can also be coated entirely with Cemcote finish, Paint or just PU Sealer to keep the natural finish look
